

Staff Profile: **Ankush Mittal**

Position:

Management Consultant

Qualifications:

- ✓ MBA - Australian Catholic University
- ✓ Masters of Accounting - Australian Catholic University

Experience:

Ankush is working as the Project Manager for Verve Portraits (2010 top 100 fast growing company in Australia as per BRW Magazine) on a project to select a POS software solution, gather business requirements, implement, test and support the application. Prior to this he spent two years as Assistant Sales Manager in an export house raising supplier and customer invoices, allocated accounts payables and receivables, recorded accrual journals and run month end reports with variance analysis. He undertook inventory control and processed stock movements.

Ankush is a skilled event planner, having served as the manager of a jewelry designing studio for eight years. In addition to general office administration duties, he was engaged in the development of an e-commerce business strategy, designing the inventory database system to strengthen inventory control and create a CRM that substantially improved customer relations and sales. During his collection associate position at Dun and Bradstreet, he gained experience negotiating payments to maximize cash flow for their client Centrelink.

At Quinlan Consulting he performed the Verve work, plus an MYOB install and set up for B&C Industries and completed AR, AP, payroll, and bank recs using MYOB for other QCT clients.

Personal Details:

Ankush resides in Carnegie and am available for up to 3 days per week.

Exam results:

Ankush is yet to sit the MYOB exam
