

Staff Profile: Marina Lohse

Position:

Human Resources & Training Manager

Qualifications:

- Human Resources Management Post-Graduate Certificate from Georgian College in Canada
- Bachelor of Arts with Specialized Honours (Psychology) from York University in Toronto, Canada

Experience:

In April 2010 Marina finished the in-class portion of the Human Resources Management Post-Graduate Certificate program in Canada. While studying, she represented her peers as a Student Liaison on the Human Resources Professional Association's Barrie Chapter Board. She became a Mentee through the HRPAs mentoring program in 2009 and still maintains contact with her Mentor.

Her experience in Human Resources has been in both the public and private sectors in Ontario, Canada. This includes her HR Assistant position at Georgian College and her industry placement as a HR Student and Collingwood General and Marine Hospital. In her roles she gained experience in recruitment and selection, labour relations, and training and development.

Marina manages the HR and training aspects of the Quinlan Consulting Team mentor programme with a focus in the areas of interviewing and résumé building, along with delivering the Job Seeking course to students and at university career fairs.
