

## Staff Profile: **Michael Kim**

### **Position:**

Management Accountant

### **Qualifications:**

- Master of Accounting at Central Queensland University
- Bachelor of Commerce at Melbourne University

### **Experience:**

Michael has a Master Degree in Accounting and experience as a Management Accountant in Australia. He is an advanced user of MYOB, Word and Excel.

Michael worked for Semitech Innovation, a small size semiconductor design company as the full time Management Accountant. Michael completed various tasks on Account Payable and Account Receivable including international transactions, calculation of realised gain/loss every quarter, performing payroll for 12 employees, maintaining personal details such as Annual leave, Sick leave and superannuation, conducting monthly bank reconciliation, lodging IAS and processing payroll tax. Apart from these accounting duties he performed general administration and reported to ASIC in regards to transfer of ownership of shares. When the company went into voluntary administration he successfully provided all accounting records to the administrator in a professional manner. Recently he completed some consulting work for The Concrete Cutter using MYOB.

### **Personal Details:**

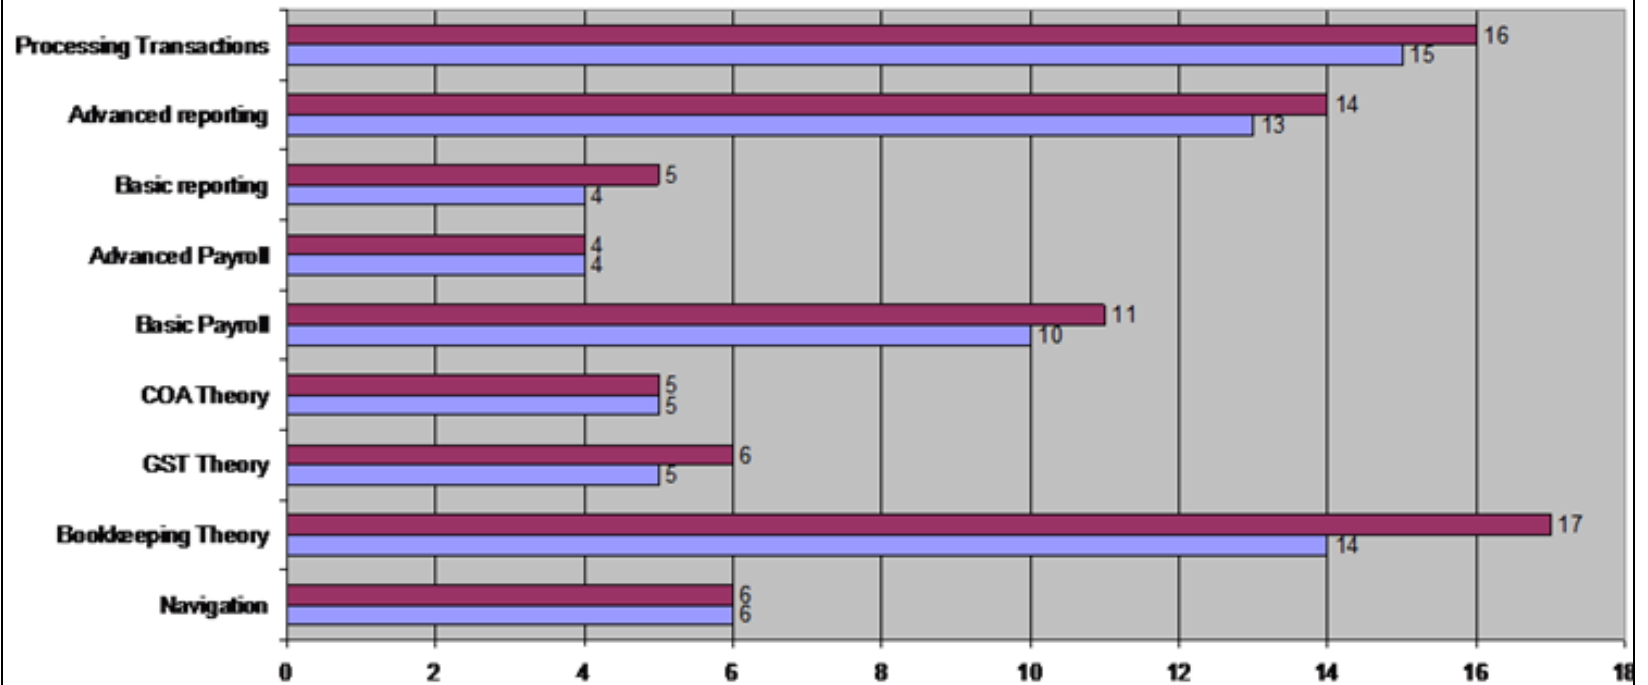

Michael lives in Mont Albert and has a full transportation. He is available 5 days per week

### **Exam results:**

Quinlan Consulting test all new staff to ensure the consultants have the required experience and theory to undertake the role. Michael Kim scored 90%. The result illustrates his outstanding ability to successfully complete the job criterion you have nominated.

*Note: The exam is intended to be challenging. The 60% pass mark is designed to select candidates that have a solid working knowledge of MYOB and accounting theory.*

### MYOB Exam results

	Navigation	Bookkeeping Theory	GST Theory	COA Theory	Basic Payroll	Advanced Payroll	Basic reporting	Advanced reporting	Processing Transactions
